

Los Angeles Basin Section (LABS) Young Professionals Committee

WHO ARE YOUNG PROFESSIONALS? A Young Professional (YP) is any member or prospective member that considers themselves to be relatively new in the any of the stormwater, water, or wastewater industries. They can be less than 35 years of age, have less than 10 years of experience, or simply be young at heart. YPs can include students, plant operators, engineers, lab analysts, maintenance workers, etc.

OUR MISSION: To provide training and networking opportunities within the water and wastewater field and among industry professionals while promoting the benefits of being a CWEA member.

Bixby Marshland is a 17 acre wetland recently restored by the Sanitation Districts of Los Angeles County.

Tour participants will have the opportunity to visit and learn more about the marsh, understand the role of the marsh in protecting our water quality, enjoy native plants and marsh wildlife, and discuss the importance of restoring wetlands.

After the tour, join us at El Paso Cantina banquet room for appetizers. Located at 2404 W. Sepulveda Blvd. Torrance, CA, 3 miles from Bixby Marshland following Sepulveda Blvd westward.

Bixby Marshlands Tuesday, May 25, 2010 @ 5:00 PM

Where: The entrance to the marshland is located on Figueroa Street, just south of Sepulveda Blvd, in Carson.
An iron gate leads into the parking lot.

Cost: Free for CWEA members and those interested in membership.

RSVP: by Friday May 21th by emailing Nicole You – (323)-342-6265
