

Environmental Compliance Inspector Grades 1-4 Exam Review Session

Wednesday January 12, 2011 from 4-7 pm

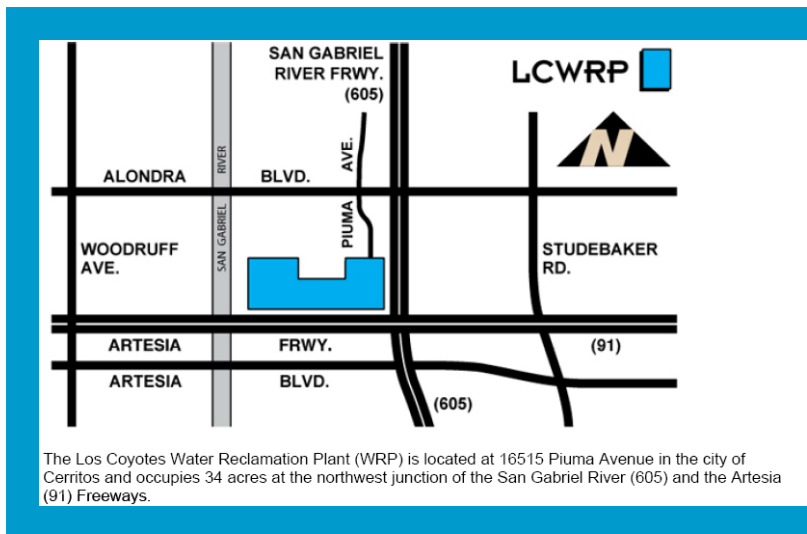

Instructor: **Bill Garrett**, Supervising Industrial Waste Inspector, Los Angeles County Sanitation Districts, CWEA Los Angeles Basin Section P3S Representative

Environmental Compliance Inspectors (ECIs)

Inspect and investigate sources of pollution to protect the public and environment and ensure conformance with Federal, State, and local regulations and ordinances.

CWEA offers four grade levels for ECIs through their technical certification program (TCP). Join Bill to enhance your knowledge of **wastewater treatment processes**, laboratory procedures, mechanical equipment, industrial processes, safety codes, budgeting principles, regulations and **management strategies** as you prepare to achieve the next ECI grade level.

The Los Coyotes Water Reclamation Plant (WRP) is located at 16515 Piuma Avenue in the city of Cerritos and occupies 34 acres at the northwest junction of the San Gabriel River (605) and the Artesia (91) Freeways.

NO COST TO ATTEND

No cost or pre-registration but send an email Bill Garrett at bgarrett@lacsdsd.org to sign up for the review session.
