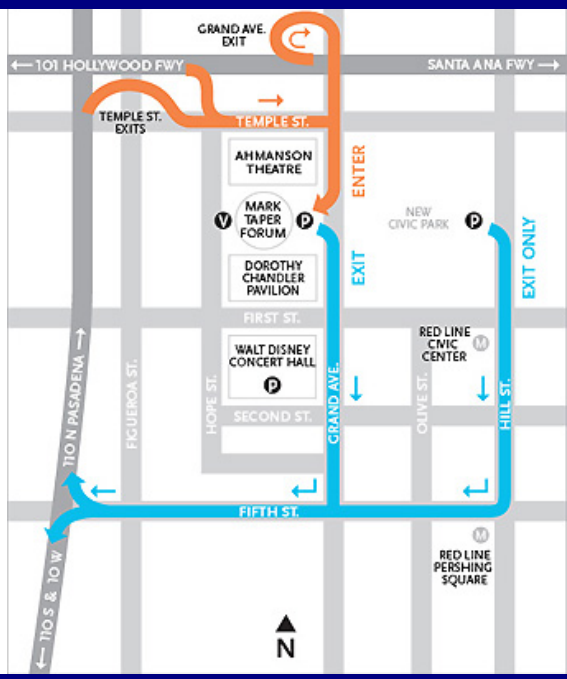
LABS Hosts A Luncheon Tour and Tacos Event at the Disney Concert Hall

Thursday, February 17, 2011 Tour 11 am - noon, Tacos at noon

Join the Los Angeles Basin Section of CWEA for a **Tour and Tacos luncheon Event** featuring the **Walt Disney Concert Hall**, designed by architect **Frank Gehry.** The tour of Walt Disney Concert Hall is architectural in nature, focusing on the projects history from conception to completion as well as significant highlights of prominent interior and exterior areas of the building.

The interior spaces include viewing the Library of Congress/Ira Gershwin Gallery. Walt Disney Concert Hall is the only venue in which the Library of Congress has allowed artifacts from their facility to be displayed. The Gallery is changed every 6 – 8 months and focuses on a specific subject such as Music and Architecture. The exterior levels include the almost 1 acre Blue Ribbon Garden where the lovely Lillian Fountain is located and the 5th level Aerial Pathway which offers guests a wonderful view of downtown Los Angeles.



Pay at the door: CWEA members $25
non-members $30 / students or retirees $15
