Please join Water For People for a “party with a purpose” at WEFTEC 2011. Enjoy great music by Luke Reynolds of the band Guster, cocktails, and hors d’oeuvres. All proceeds from this event will go to support Water For People’s important work helping to bring sustainable water, sanitation, and hygiene education solutions to Everyone — every family, every school, and every clinic — in the developing countries where we work.

Water For People gratefully acknowledges our “**Gold**” sponsors for generously supporting this year’s Everyone Extravaganza!
