Join your WEFTEC friends as we pedal to raise awareness and funds to support Water For People. In the three years, we have raised over \$10,000. We are able to raise money by the generosity of our sponsors who pay to have their logo printed on the back of our event T-Shirt.

2010 Ride in New Orleans

A great ride is planned for 2011. We will start at Bikes and Hikes in West Hollywood and pedal through Bel Aire and Beverly Hills. We'll ride 10 miles through jaw dropping neighborhood as we pass many celebrity homes, take in the sights and scents of world class gardens, and ride along the infamous Sunset Boulevard. During the ride, we'll park our bikes and take a foot tour of Rodeo Drive and Greystone Mansion. For the serious cyclists, a hammerhead option along Mulholland Drive in the Santa Monica Mountains will be offered. All rides will be guided by professional tour guides from Bikes and Hikes LA (www.bikesandhikesla.com).

All participants will be provided with a multi-speed, fully suspended hybrid bicycle, vest, helmet and fluids. We will receive a colorful T-Shirt with the logo of our sponsors on the back of the T-Shirt. Registration will close on September 30 or when we reach 75 riders.

Participants should wear comfortable shirts and pants. Closed-toed shoes are required. Remember to bring sunscreen. Depending upon the weather, a light wind breaker may be needed. We will be arranging transportation from downtown LA to the bicycle shop and return. We will provide details of the transportation later.
