

The Los Angeles Basin Section of CWEA Dinner Meeting and Presentation November 16, 2017

CWEA Plant of the Year Award Experience

Please join LABS to learn about how the CWEA Plant of the Year Award winner is chosen. CWEA Leadership Development Chair Brett Offerman will explain the application and discuss white-glove tours of award winning plants. You will gain insight into what makes a modern, efficient award-winning water resource recovery facility regardless of the size or budget of the facility.
