

Los Angeles Basin Section Annual Industrial Facility Tour & Dinner

Join LABS for a tour of the Reyes Coca-Cola Bottling, LLC facility in the city of Downey. Reyes Coca-Cola Bottling is a proud west coast bottler and distributor of Coca-Cola brands. The facility manufactures and delivers Coca-Cola products to restaurants, sporting venues, businesses, healthcare facilities, schools, convenience stores and supermarkets. They deliver millions of cases of product annually. The tour will include their state-of-the-art reverse-osmosis and nanofiltration water treatment systems, blending and bottling areas, clean-in-place operations, quality control lab, warehouse, and their industrial wastewater treatment and effluent monitoring equipment.
